Ormoc City, Leyte, 6541

SUMMARY

Aspiring developer with academic and internship project experience in **Node**, **Python**, **Vue.js**, and **PHP/Laravel**. Possesses a strong appreciation for well-architected and clean code, and adaptable problem-solving. Eager to contribute to a high-impact engineering team and expand my professional skills.

ACCOMPLISHMENTS

- Outstanding CS Trainee - Fullstack Developer (Wela School Systems), 2024
- Dean and Chairman Lister 2021

SKILLS

Python, Vue.js, Java, Node, PHP/Laravel, JavaScript, Figma, Git, GitHub, Firebase, MySQL, UI/UX Design, RESTful APIs

EXPERIENCE

Intern Full Stack Developer
Wela School Systems

Jun 2024 - Aug 2024
Remote

- Designed and developed core system customizations for the **Frappe/ERPNext** platform, using **Python** to build server-side logic, customize DocTypes, and create custom script reports for unique academic workflows.
- Ensured system performance by optimizing **Python** scripts for faster data access, while applying due diligence and best practices through rigorous **Git** version control and clear technical documentation.

PROJECTS

Pageant Scoring System (PHP/Laravel and Vue.js) [🔗](#)

- Architected a secure and scalable backend using **PHP/Laravel**, exposing all core logic through a **RESTful API**.
- Implemented a normalized relational database in **MySQL** and **Laragon** to ensure data integrity and efficient, persistent score storage.
- Translated the new workflow into a responsive and intuitive user interface to facilitate real-time data entry and visualization.

Transactiq: Point-of-Sales System (Quality Assurance) [🔗](#)

- Executed manual rigorous front-end testing to validate the user interface against design mockups and identify visual bugs or usability issues.

Inventory and Delivery System (C#) [🔗](#)

- Architected the front-end user interface and experience (UI/UX) for the Windows desktop client.

EDUCATION

Visayas State University Main Campus
Bachelor of Science in Computer Science

Sep 2021 - Jul 2025
Baybay, Leyte, PH

Ormoc City Senior High School
Science, Technology, Engineering, and Mathematics Strand

Aug 2019 - Aug 2021
Ormoc, Leyte, PH
